SCHOLARS AT RISK NETWORK

MEMBERSHIP SUBSCRIPTION WAIVER REQUEST

SAR membership subscriptions help to support the services offered to its member institutions as well as the critical assistance SAR provides to at-risk scholars. However, the network does not want the subscription to be an obstacle to participation. If an institution would like to participate as a member of the SAR network but is not able to pay the $1000 USD membership subscription at this time, please submit the following form to madeline.everett@nyu.edu. You will be contacted via email if your waiver request is approved. Waivers are granted on an annual basis.
